

## SERVICE and SEASONAL GENEROSITY

Once again our students and staff proved to be among the most generous of school communities in our area. At our **Annual Holiday Concert**, the performers and many staff and students purchased green “Tis the Season for Giving” tee shirts, to support the growing contributions to **Children’s Memorial Hospital** in honor of our own Casey Patton, a senior vocalist fighting brain cancer. Casey received a check for **\$5000** that was presented at performances for the community and for the student body.
